

Community Support Worker - Weekends Only

JOB DESCRIPTION

Skilled flexible care staff required to provide personal care and support services to people in their own homes. Successful applicants will have experience of working in a care setting and have excellent communication skills. This work requires you to be able to manage moving, bending and stretching whilst delivering personal care. An understanding of the needs of the clients and of people with dementia is an advantage. The ability to work safely, reliably and competently in lone situations is essential.

Based in East Leeds and covering the surrounding areas your role will be to work as part of a growing team providing care and enablement to their clients.

HOW TO APPLY

To apply, please fill in our online application, or print out the application form and return in the post to:
